Nashville, TN 37219-1407

Dear Mike,

In the proposed amendments, there are two places where “insure” should be changed to “ensure.” See the Comments to Civil Rules 3A and 45.

Bryan Garner writes: “*Insure* should be restricted to financial contexts involving indemnification; it should refer to what insurance companies do; *ensure* should be used in all other senses of the word.”

Best regards,

Donald F. Paine
