

**Access & Visitation (A&V) Grant Recipients**  
**(Services rendered October 1, 2022 – September 30, 2023)**

Access and Visitation grants aid self-represented litigants in accessing the Tennessee court system regarding child support issues. Initiatives address the needs of divorced or never married parents and focus on services to help them resolve any or all issues concerning parenting and visitation in child support cases or cases involving child support issues. These initiatives may include efforts such as self-help centers, clinics for self-represented litigants, unbundled legal services, and mediation programs.

This funding is made possible through the U.S. Department of Health & Human Services Access and Visitation Mandatory Grants program and is administered by the AOC with support from the State of Tennessee's Department of Human Services.
