

**IN THE CRIMINAL COURT OF TENNESSEE
FOR THE THIRTIETH JUDICIAL DISTRICT
AT MEMPHIS, TENNESSEE
DIVISION III**

ROBERT GLEN COE,

vs.

STATE OF TENNESSEE.

No.: B-73812

Death Penalty

ORDER FOR DISCLOSURE OF EXPERT EVIDENCE

This matter came to be heard upon a Motion for Disclosure of Expert Evidence, filed by Movant, Robert Glen Coe, in which a request was made that this Court order disclosure of relevant information necessary for a fair adjudication of Movant's claims before this Court. It appears to this Court that this motion has merit.

It is therefore **ORDERED, ADJUDGED AND DECREED** that both the State and counsel for the Movant disclose to one another all information in their possession regarding the identification of all cases in which their respective expert witnesses have testified as expert witnesses. In addition, both parties to this matter shall disclose to one another any and all evidence in their possession which otherwise impeaches the credibility of their respective experts in preparation for Movant's hearing to determine his competency to be executed. All of the information relevant to this order shall be disclosed by January 24, 2000, at 9:30 a.m.. Furthermore, any additional documents discovered during the course of this hearing are subject to this order.

Entered this 21st day of January 2000.
