COMES NOW, [REDACTED], Guardian *ad Litem* for the above named child, and moves this Honorable Court to find that this matter is both extended and complex pursuant to Supreme Court Rule 13, section 2(e).

The expenses of extra time are necessary because of the complexity of the issues in this case, multiple and lengthy communications with the parties, multiple hearings, and other activities as per the fee request.

SCANNED

Due to the length of litigation during Phase I, the need for consistent communication with the custodians, and the need for communication with the parties' counsel and the Department of Children's Services' legal department, there has been an absolute necessity for an unusual amount of communication and meetings between the parties involved in this matter.

WHEREFORE, Movant respectfully requests that this Honorable Court declare this matter "complex and extended" pursuant to Supreme Court Rule 13 subsection 2(e).
