Hear Court Clerk,

RECORDS & CLERK
NASHVILLE

Please be advised

I wrote a rough draft of a conversation I had with atty David Baker, an atty Jeff DeVasher on 3.18.03, in that the three (3) of us commence a professional legal dialogue. The purpose of the rough drafted correspondence is because Mr Baker, and Mr DeVasher, threaten to launch a character assassination attack of me subjectively, to fallaciously petition the courts, to characterize me as demerited.

I have mailed the rough drafted conversation I had with Mr Baker, and Mr DeVasher to the Twentieth Judicial District, Criminal Court -

Division III; Court Clerk; Judge Blackbuen. Please obtain a copy:

2.11.03; 2.18.03; 2.27.03; 2.28.03; 4.14.03 (main letter), addressed to the Tenn Supreme Court.

Sincerely,

Paul Reid
