

of documents is being exchanged electronically in native format without the requirement of Bates stamping. If a dispute arises regarding the need for Bates stamping, a motion can be filed with the Court.

4. Preliminary Dispositive Motions—Motions to Dismiss and For Judgment on the Pleadings shall be filed so as to be heard on or before May 13, 2016.

5. Interim Status Conference—On June 24, 2016, at 9:00 a.m., Counsel shall attend a status conference to discuss with the Court the progress and any issues in advancing the case to trial.

6. Pretrial Conference—On October 20, 2016, a pretrial conference shall be conducted. Closer to the conference, the Court will set dates for Counsel to file the following:

- (1) A list of pattern instructions counsel anticipates requesting the Court to provide to the jury at the conclusion of the proof;
- (2) Proposed jury instructions which vary from the pattern instructions along with citations to statutory or case authority;
- (3) A proposed verdict form;
- (4) Motions in limine; and
- (5) Responses to motions in limine.

7. Trial—A 5-day, 12-person jury trial is set to begin at 9:00 a.m. on Monday, November 14, 2016. For the jury demand to be waived, all parties must consent, and that consent must be filed by October 6, 2016.
