**ORDER**

This matter is before this Court upon automatic review of the Shelby County Criminal Court's denial of Robert Glen Coe's petition to prohibit execution. The trial court, after conducting an evidentiary hearing, found that Coe is presently mentally competent for execution in accordance with his conviction for first degree murder and sentence of death. The trial court's findings of fact and conclusions of law were set forth in an order filed February 2, 2000.

An appeal to this Court is automatic. See Van Tran v. State, 6 S.W.3d 257 (Tenn. 1999). Pursuant to Van Tran, the record of the proceedings in the trial court shall be filed with the Clerk of this Court in Nashville no later than ten (10) days from the trial court's order; the appellant's brief shall be filed no later than five (5) days from the filing of the record; and the State's brief shall be filed no later than five (5) days from the filing of the appellant's brief. Id.

After due consideration, it is ORDERED that oral argument before this Court in this matter will be heard on February 29, 2000, at 10:00 a.m. (C.S.T.), in Nashville.
