**ORDER DENYING PERMISSION TO APPEAL**

Appellant, Robert Glen Coe, seeks permission to appeal the Shelby County Criminal Court's denial of his motion to reopen his post-conviction petition. The state has filed its response in opposition to the application, and appellant has filed a reply to the state's response. In order for this Court to grant the application, it must appear that the trial court abused its discretion in denying the motion to reopen. Tenn. Code Ann. ' 40-30-217(c). After our review of the application, the state's response, and the appellant's reply, this Court concludes that the trial court did not abuse its discretion in denying the motion.

IT IS, THEREFORE, ORDERED that the application for permission to appeal be denied. It appearing that the appellant is indigent, costs are taxed to the state.
