FILED

**ORDER ON: (1) ELECTRONIC DISCOVERY; (2) EXTENSION
OF TEMPORARY INJUNCTION TO 9/30/16; AND
(3) LITIGATION DEADLINES**

After conducting oral argument on August 4, 2016, concerning keyword disputes on electronic discovery, it is ORDERED that Defendant NEO shall identify overbroad keywords submitted by Plaintiff, and the Forensic Neutral shall search those and report only the number of the unique documents for each word, no other information shall be provided by the Forensic Neutral. From this, the Plaintiff shall eliminate search terms and shall provide to Defendant NEO additional terms to narrow the search.

With respect to Defendant NEO's keyword search regarding Pinnacle employees, by August 15, 2016, Defendant's Counsel shall submit time period limitations or other substantive limitations to narrow the search.

The deadline for completion of the foregoing and any additional electronic discovery is September 16, 2016. Any motions to compel or for production shall be filed so as to be ruled upon by September 30, 2016.

The temporary injunction, entered January 13, 2016, is extended to September 30, 2016.

By October 14, 2016, Plaintiff shall state the dollar amount of its ad damnum.

All discovery shall be completed by November 30, 2016.
