Advisory Task Force on Composition of Judicial Districts  
Administrative Office of the Courts  
511 Union Street, Suite 600  
Nashville, TN 37219

Re: Judicial Districting

Dear Task Force:

I am writing in regard to the possible changes in the 29<sup>th</sup> Judicial District of Lake and Dyer Counties. I would be opposed to any efforts to change the composition of the district as it now stands.

We have had and continue to have, excellent relationships with all of the courts, the District Attorney's Office, the Public Defenders Office, and every law enforcement agency involved with our judicial district. They have worked hard to provide the highest level of service to the public and have been accessible to all who are involved in the judicial system.

I truly believe that moving other counties in or out of the district will create a great deal of confusion for the public, as well as creating new obstacles for those who administer justice. They have a very difficult job as it is, and their current relationships need to be maintained in order to continue the work they do.

Sincerely,

Nanette R. Cook  
Clerk and Master  
Lake County Chancery Court.
