Please add your comment here if 100 words or less. For lengthier comments see below.: On behalf of the citizens of Perry County, with the support of the Perry County Commission, I urge the creation of a 32 judicial district where Perry, Lewis & Hickman Counties are separated from Williamson County and placed in their own judicial district. This would place similar counties together and ultimately provide better access to justice for the residents of all 4 counties. We fully support this redistricting.
