Please add your comment here if 100 words or less. For lengthier comments see below.: I have concerns regarding the proposed judicial redistricting of Lauderdale County to merge with Dyer and Lake. The Child Protective Investigative Team investigate the most serious abuse and neglect cases of children in Lauderdale County, with the diligence and supreme efforts made by our current District Attorney's office. Our team prosecutes more perpetrators of abuse/neglect than any of the surrounding counties. We feel that we may not be as successful at protecting children if we are placed under another jurisdiction.
