For lengthier comments see below.: Ladies and Gentlemen: The Hickman, Lewis, and Perry County Bar Association have meet and are in agreement that we support the creation of the 32nd Judicial District and allow Williamson County to become a stand alone district. The bar members are prepared to put forth a plan to make the proposed 32nd Judicial District a model for the State of Tennessee. The members of the Bar Association appreciate all your efforts and work to make the judicial system of the State of Tennessee better for all. Thank you for your consideration.
