

IN THE COURT OF CRIMINAL APPEALS OF TENNESSEE
AT NASHVILLE
May 15, 2001 Session

STATE OF TENNESSEE v. CLEANDER CLEON HARTMAN, JR.

**Direct Appeal from the Circuit Court for Williamson County
No. II-599-154 Timothy L. Easter, Judge**

No. M200-02441-CCA-R3-CD - Filed January 17, 2002

NORMA MCGEE OGLE, J., concurring in part and dissenting in part.

I fully concur in the majority's opinion with the exception of its conclusion that the sentence in this case is unreasonable in light of the severity of the offenses. In any event, upon remand for a new trial, should the defendant again be convicted pursuant to counts one and three of the indictment, the trial court should be free to consider the imposition of consecutive sentencing in light of any additional evidence presented by the State.

NORMA MCGEE OGLE, JUDGE
