SEPARATE CONCURRING OPINION

I concur in the results in this case. In <u>State v. Milton S. Jones, Jr.</u>, No. 02C01-9503-CR-00061, slip op. at 5 (Tenn. Crim. App., at Jackson, March 7, 1997), a panel of this court ruled that mens rea is an element of offenses such as sexual battery or rape. While I subscribe to the view expressed in Jones, I do concur that the allegations in these indictments do imply the mens rea.
