¹For oral argument, the Court is particularly interested in the following issues: 1) Whether the trial court lost jurisdiction to rule on the defendant's motion to withdraw his guilty plea? 2) Whether a defendant has the right to appeal a trial court's denial of the defendant's motion to withdraw a guilty plea under TRAP 3(b)? This statement of the issues for oral argument does not prevent the parties from raising additional issues pursuant to Rule 13(a), TRAP.
