RE: Proposed Amendment to Rule 7, Section 5.01 (b) – Supreme Court Rules

Dear Mr. Catalano:

Honorable Suzanne Keith of TAJ has forwarded the proposed amendment to Rule 7, Section 5.01 of the Supreme Court Rules which requests comments to your office.

It would appear to me from the reading of the proposed change by merely adding the underlined portion in Subsection (b) just makes good common sense and should have been implied by the other, but as lawyers we know we need to be technical so I'd say that that change is warranted.

Yours truly,

Robert L. Huskey
