Please list any security measures that you have taken to improve your facilities and/or to protect personnel between **December 1, 2021 and November 30, 2022.**

No new construction or changes to protocol. Still have the single entrance to the courthouse with the x-ray machine and walk-thru metal detector. All other building have the walk-thru metal detector only.

Please describe any recent court security incidents in your county or unique court security issues facing your county.

Building design in all our buildings. The Jolly Building and the building housing General Session II are buildings never designed to house courtrooms. The building design at the Courthouse is still an issue just because of the number of doors.

Please explain if and how security staffing issues have impacted court security in your county.

This year we have been fortunate to have maximum staffing for most of the year. No real negative impacts.

What are your highest priority needs related to improving court security in your county?

Space is still our biggest issue. Until a Justice Center can be constructed we will always face the problems of space.
