Please list any security measures that you have taken to improve your facilities and/or to protect personnel between **December 1, 2021 and November 30, 2022.**

We have not implemented any additional security measures during 2022 as we believe our court security is very good. The only thing that could assist us to be safer would be video conferencing since inmates are still brought to court rooms outside the secure facility.

Please describe any recent court security incidents in your county or unique court security issues facing your county.

There have been no recent security incidents in our county.

Please explain if and how security staffing issues have impacted court security in your county.

Finding qualified individuals has been a difficult task however we have retained most of our officers and replaced the ones that left with solid candidates.

What are your highest priority needs related to improving court security in your county?

Our most significant need for security in Cumberland County Courts is Video proceedings in our court facility. Video conferencing is a much need component that would provide a layer of protection to our staff and citizens. Our biggest challenge has been funding. If we could obtain a grant to assist in the funding of this project our security would be at a much higher level and the safety of the courts would be enhanced.
