a. If yes, how many courtrooms have the capability to hold video conference proceedings?	2
b. What type of video conferencing systems do you utilize?	zoom
c. Does your county need additional or upgraded video conferencing capabilities for judicial proceedings?	not at this time

Please list any security measures that you have taken to improve your facilities and/or to protect personnel between **December 1, 2021 and November 30, 2022.**

Installed new panic button system due to justice center getting new telephone system
New system actually send text and email message to multiple people at once. For example: Sheriff, Chief Deputy, court security personnel, clerks, mayor, judges, etc.

Please describe any recent court security incidents in your county or unique court security issues facing your county.

None

Please explain if and how security staffing issues have impacted court security in your county.

Grainger County is short on staff so sometimes the designated court officer monitors both courtrooms. Sometimes it is augmented with Sheriff, Chief, detectives. Sometimes multiple courts are scheduled on the same day . This issue could be somewhat resolved with some scheduling changes . Recently there was 3 regular courts scheduled for the same day with only 2 courtrooms!

What are your highest priority needs related to improving court security in your county?

Maintain staffing with POST certified personnel in case arrest etc need to be effected during procedures.
