Updated several of our security camera's.

Please describe any recent court security incidents in your county or unique court security issues facing your county.

What are your highest priority needs related to improving court security in your county?

Basic and Advanced Court Security Training. I have spoke to the Tn. Law Enforcement Training Academy about developing courses for our court security officers. There has not been a Court Security Training Class developed in years. This class needs to deal with court and court security for our court officers.
