ORDER

The Tennessee Commission on Continuing Legal Education and Specialization filed a petition to amend Supreme Court Rule 21 with this Court on October 27, 1999. The Commission has certified that copies of this Petition were mailed to all major bar associations in the state. Further, the Commission's *Requirements* newsletter, mailed in November to all Tennessee attorneys, contained an article describing the proposed standards, and notifying Tennessee attorneys that the Petition and supporting material was available for review on the Commission's world wide web site.

The Court has received no objections or comments to the Commission's Petition.

It is therefore ordered that Certification Standards for Family Law Specialist proposed by the Commission be, and the same hereby are, approved.
